**ABOUT US** The story is simple and whimsical and those who have visited Avianto, would have experienced the magic. Now in it's 10th year of perfecting dream weddings, who else can you trust with such confidence - Avianto more than just a wedding venue - but a Village made in Heaven. Going way beyond listening to the dreams of clients, Avianto makes them a reality.

Allow us to share a glimpse of enchantment with you,

a dream for Nancy and Dawie that became a reality on the 16 February 2007!

The RAW Christmas Wish 2006 radio show introduced Avianto to Nancy who suffers from a disease called Systemic Lupus Erythematosus which she was diagnosed with 8 years ago. Nancy and Dawie have known each other for almost 9 years and have been engaged for 4 of those years. A wedding had not been possible due to growing medical bills - until a call from Jeremy Mansfield on the 5th December 2006.

Nancy's story was so moving that Avianto could not resist but to give Nancy the fairytale wedding she deserved. This is how the fairytale wedding unfolded...

Calls were made to Avianto's Preferred Suppliers and before long an entire wedding with all the bells and whistles was sponsored. Trevor D'Oliveira; owner of Avianto had the pleasure of telling Nancy that she would have her dream wedding at Avianto. Wilmie from Café Fleur, our florist of choice, agreed to waive her

magic wand and ensured that the venue looked beautiful. Cicilia from CK Make-up and Gail from Head over Heels made sure our bride looked like a fairy princess on her special day. Didi from Paper Sensations provided invitations and other wedding paraphernalia for this joyful occasion. Luis Almeida, one of our favorite discos provided music for the event. Patrick Furter one of the best wedding photographers in town ensured the couple's magic was captured on paper for ever and supplied an album of wonderful memories. Last but not least Red Squirrel supplied Nancy and Dawie with a DVD of their wedding.

And so ends another Fairy Tale of a prince and princess and yes, they are living happily ever after.

Testimonial from Nancy and Dawie:

*"To one and all involved in making the fairytale a reality a warm and heartfelt hug and thank you. You have helped a young prince and princess realize a long lost wish in their lives."*
